Any Order Form may be terminated individually in accordance with the Applicable Terms applicable to the UPS-CS Solutions identified thereon.

4. **Permitted Territory.** “**Permitted Territory**” means, for any UPS-CS Solutions, those countries and territories associated with such UPS-CS Solutions on the Permitted Territory List. UPS Customer Solutions is not obligated to perform, license, or install any UPS-CS Solutions in or for use in any jurisdiction other than the United States of America or the Permitted Territory for each applicable UPS-CS Solution.

5. **Jurisdiction-Specific Terms.** **This Client Agreement may only be presented to, and its effectiveness is conditioned upon execution by, a Client headquartered and established in the United States of America or one of the jurisdictions identified on the Permitted Territory List as of the Effective Date.** If a jurisdiction does not appear on the Permitted Territory List, then it is not within the Permitted Territory.

a. Each party agrees that this Client Agreement may be executed by electronic or digital signatures, which will be deemed and accepted as originals, and each party acknowledges its capacity and agreement to be bound by such electronic or digital signature with the same legal force and effect as a handwritten signature.

7. **Entire Agreement.** The Client Agreement, together with any attachments or documents incorporated herein by reference constitutes the entire agreement between UPS Customer Solutions and Client with respect to the subject matter hereof, and supersedes all oral or written proposals or agreements, and all other communications, between the parties with respect to such subject matter. Without limiting the foregoing in any way, UPS Customer Solutions will not be bound by terms additional to or different from those in the Client Agreement that appear in Client’s purchase orders or acknowledgements. The parties hereto confirm their express desire that this Client Agreement, and all documents, and agreements directly or indirectly relating hereto, be drawn up in the English language. In the event that any provision of the Client Agreement is held invalid or unenforceable in any circumstances by a court of competent jurisdiction, the validity, legality, enforceability, and application of the remainder of the Client Agreement, and of such provision in any other circumstances, will not be affected thereby.
